

Don't tell me words  
don't matter.

"I have a dream."

Just words?

"We hold these  
truths to be self-  
evident, that all men  
are created equal."

Just words?

"We have nothing to  
fear but fear itself."

Just words?

Just speeches?

*Senator Barack Obama, responding to a  
claim that his presidential election  
campaign was about "just words"*

At Language is Everything we understand  
the power of words.

That's why we've become the region's  
most trusted supplier of written  
translation, face to face interpreting and  
telephone interpreting services.

Our translators don't just translate. They  
capture your vision, and they capture the  
needs and aspirations of your overseas  
customers.

Our face to face interpreters don't just  
interpret. They give you an insight into  
new cultures and new ways of doing  
business.

And our telephone interpreters don't just  
talk on the phone. They help you to make  
things happen, anywhere in the world, 24  
hours a day.

To find out more, give us a call on 0800  
731 7878 and come and visit us at our  
operations centre in Howden or at the  
World Trade Centre Hull & Humber.
